Miles Prestemon, Secretary

**III. SCHOOL**

Following up on the Annual Meeting discussion regarding the possibility of building an elementary school in the subdivision, Miles provided a map of the subdivision showing the tract of land which was being considered by the school district as a possible site for a new school. There was some discussion on the advantages and disadvantages the school might have on the homeowners and the neighborhood in general. It was felt that the school would have a positive effect on the neighborhood and, in particular, on the sale of homes in the area.

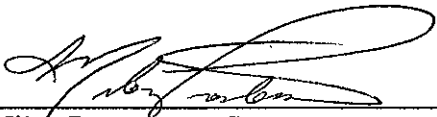

**IV. COMMITTEES**

Committee sign-up sheets from the Annual Meeting and resident update forms with volunteers for various committees were provided to Terry Lucas. He will contact the various volunteers and get the committees started.

Respectfully submitted,
